

WHO SAYS THE WORLD IS GETTING SMALLER?

The World Wrestling Federation® continues to grow in popularity!

80,000 fans sold out London's Wembley Stadium last month for *WWF® Summerslam®*; 62,000 fans experienced *WrestleMania VIII®* at the Hoosier Dome this past April. Attendance records are set... and broken... in city after city, country after country, month after month.

The World just keeps on growing!
